Mailing Address _____ City _____ State _____ Zip _____

Bond\Madison Water Company is making efforts to develop a rural water system for the area. To determine the feasibility and the desire for such services, you are asked to make the following agreement:

I desire service for my _____ located in _____ Township, Section _____, _____ County.
(home, business, farm)

Physical address for meter set _____

I agree to pay to Bond/Madison Water Company, Pocahontas, IL, an advance connection fee in the amount of \$500.00; \$25.00 upon the execution of this agreement and the balance of \$475.00 prior to loan commitment before construction. It should be noted there will be a significant increase for connections at a later date. I also agree to provide an easement for a water main across my property.

I agree to become a customer of the system as soon as service is available to my property and to pay the charges required and abide by the rules, rates, and regulations adopted by the governing board. In the event I breach this contract by refusing or failing, without just cause, to connect to the system or pay the minimum monthly rate, I understand that I forfeit my initial connection fee. Should I desire services at some later time, I understand that I must pay the connection in effect at that time. I further understand that unpaid bills shall constitute a lien upon my real estate and legal action can be pursued to collect the delinquent charges.

In the event the required number of users are not obtained or for some other reason the project cannot continue, the user fee will be used to pay organizational, legal or engineering expenses. After paying all expenses, any remaining connection fees will be pro-rated to each depositor.

Dated this _____ day of _____, _____. Signature: _____
